WORK EXPERIENCE

Handyman Learnership

May 2026 - present (bi-weekly)

Powameter

Assisting with finding electrical difficulties and sorting them out by replacement or fixing of the problem

Promoter / Sales

Jan 2025 - Dec 2025 (seasonal)

Canvas Cowboy

Driving brand awareness, demonstrating product features, and increasing sales. The position involves directly engaging with pet owners. Recommend the best sizes and styles based on the customer's dog. Effectively communicate seasonal discounts, bundle deals, or limited-time offers to maximize sales

Server/Cashier

Jan 2025 – Dec 2025 (seasonal)

GUZ Soft Serve

Provided friendly, efficient customer service in a fast-paced mobile ice cream environment, ensuring a positive experience for all customers. Operated and maintained soft serve and dip equipment, adhering to health and safety standards. Managed cash and mobile transactions accurately, contributing to smooth daily operations. Assisted with setup and breakdown of mobile unit at various events and locations. Promoted specials to drive sales and repeat business.

Waiter (Job Shadowing)

June 2024 – Aug 2024

Cloud 9 Boutique Hotel & Spa

Shadowed and assisted waitstaff in a professional hospitality environment. Gained hands-on experience in customer service, table setup, food handling, and order delivery. Observed daily restaurant operations and developed a strong understanding of guest service standards.

Sales Representative

Jan 2023 – June 2024

CCD Verspreiders

Represented the company in customer interactions, providing product information and ensuring client satisfaction. Gained experience in sales techniques, order processing, and basic inventory coordination. Loading and packing of stock.

About Me

Physically fit and highly motivated candidate interested in a Deckhand and Firefighting position. Combines outstanding physical endurance, a disciplined work ethic, and a strong desire to learn advanced Marine, Firefighting and Deck operations. Prepared to take on physically demanding tasks in high-pressure environments
